@marcodavids

# Where are we now?

- Discussed in various previous CENTR meetings and workshops\*
- Drafts in IETF
  - draft-wullink-restful-epp
  - draft-wullink-rpp-json
- Discussed extensively within IETF Regext WG
  - IETF118, 119, 120
- BoF at IETF121 (November 2024, 83 attendees)
  - Separate WG
  - Design from scratch (next to EPP, not replacing it)
  - Tiger Team (EPP Extensibility and Extensions Analysis)

Yes / no ?

- RPP WG operational at IETF122, March 2025 ?
  - Or yet another BoF ?
